¹In 2021 we ended our Senior member category. Senior members who renewed in 2021 were classified as Returning Seniors and will continue to qualify for the Returning Senior rate if they renew their membership annually without interruption. Should a Returning Senior skip a year and rejoin in a subsequent year, they lose their Returning Senior status and the Regular member rate will be payable upon renewal. The Club will maintain a list of members remaining eligible for the Returning Senior rate.

²A completed and signed Trail User Agreement is mandatory at the beginning of each new season.
